ABOUT FIMO

FIMO. TEC. S.p.A Italy, a leading manufacturer of telecom accessories, has operations in India through its wholly owned subsidiary FIMO India Mfg. Pvt. Ltd.

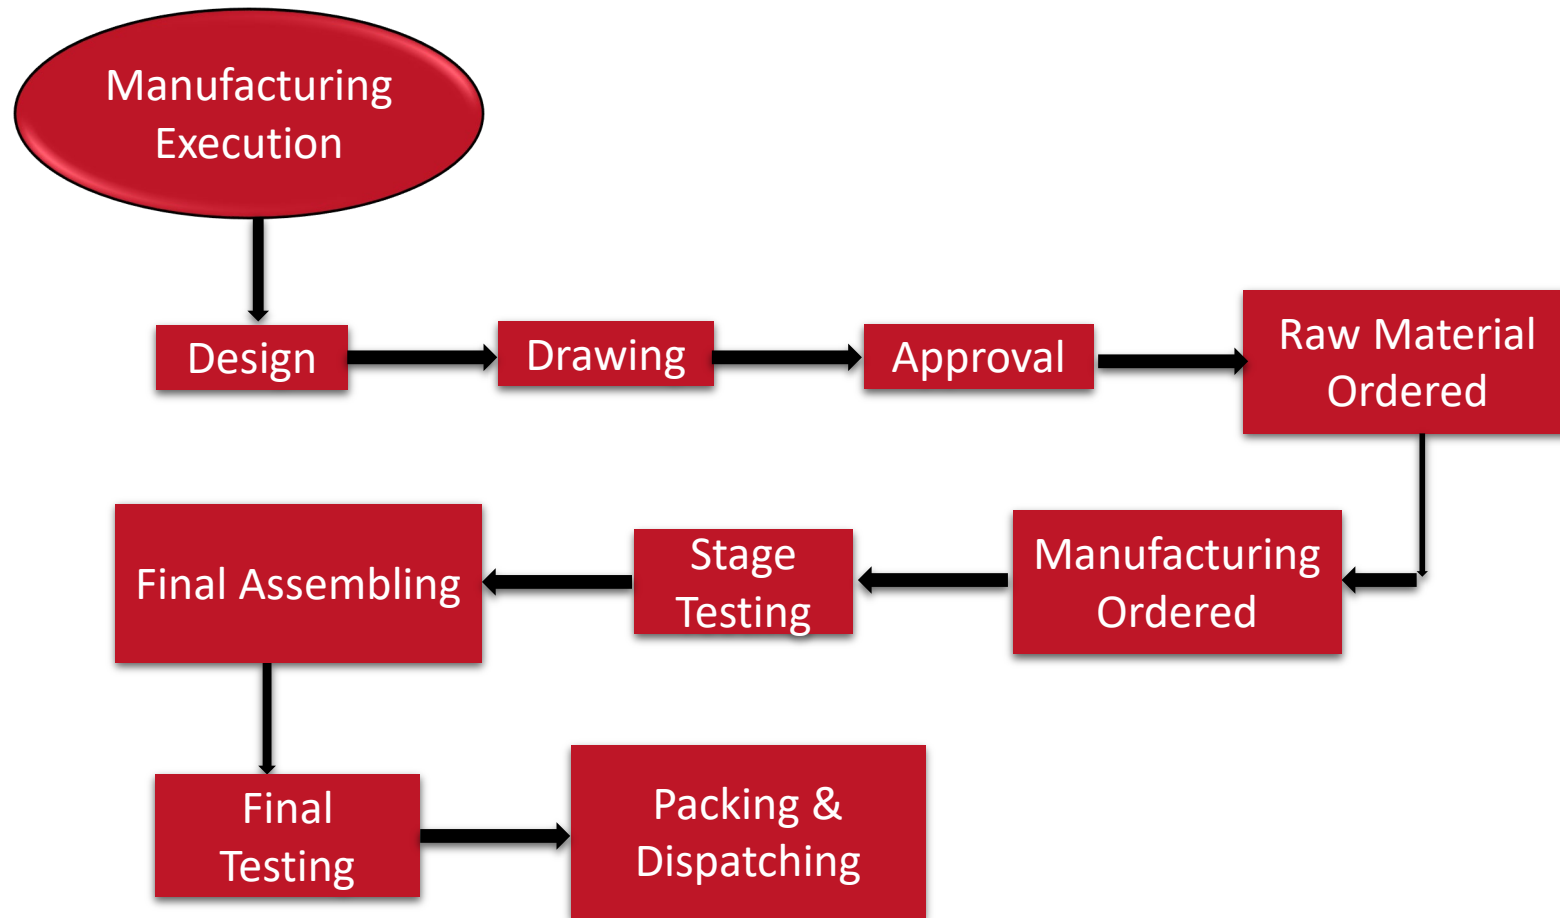

FIMO Italy is approx. an 80 year old company & started catering to Mobile Telecom market requirements since 80-es. Today FIMO offers, under the trademark FIMO, a large section of advance products, rich in exclusive features, which is appreciated by the operators as well as OEM's. FIMO product provides total fastening safety along with practical & easy mounting.

Thanks to the close cooperation with leading operators & to the persevering internal effort in research & development, FIMO is by now first choice for its comprehensive range, the technical features & the quality standards.

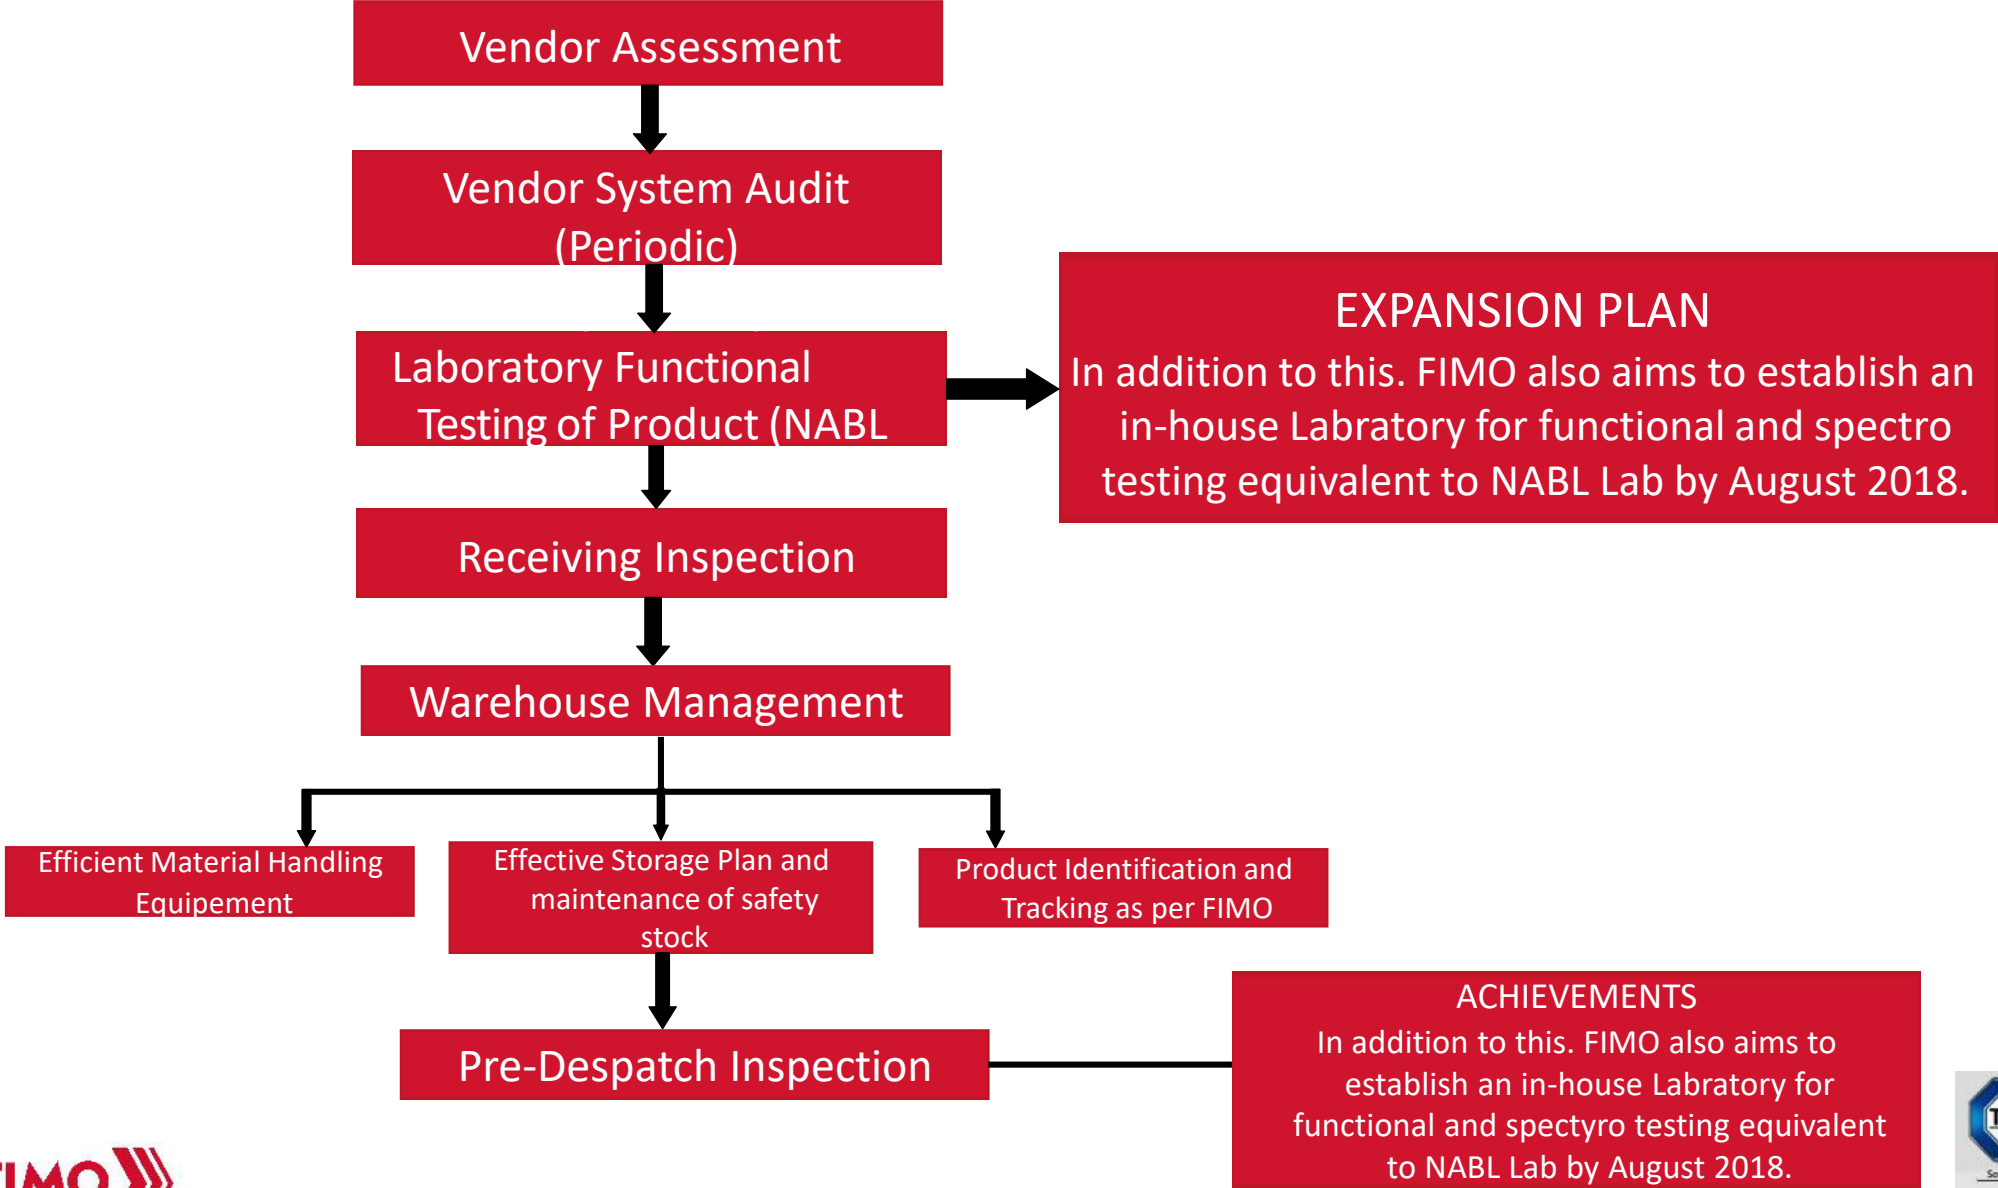

We have our local manufacturing of our various products-lines in NCR Delhi. We have stringent quality systems in place to manufacture quality products. We are an ISO 9001 & 14001 certified company & already approved suppliers of leading OEM in India.

PROCESS FLOW

OUR MANUFACTURING ASSOCIATES

JUMPER CABLE

- Certificates: ISO 9001 : 2015
- Registered with: - MSME, BRN

OUR MANUFACTURING ASSOCIATES

ABOUT US

- Established in the year 1967
- An ISO / TS-16949:2002 certified company
- Well equipped manufacturing unit
- Produce international quality standard products
- Member of PSIA, LUB & Faridabad Chamber of Commerce

Rubber Parts

Molded Rubber Components:

- Rubber Washers & Packing Components
- Noise Control Grommets
- Rubber Beadings
- Rubber Molder Parts
- Rubber Plugs & Caps
- Rubber Bellows

OUR MANUFACTURING ASSOCIATES

- **Cables**
- **Certificates:** ISO 9001 : 2015 (Quality Management System)
- **Types of Cables:** Telephone Cable, Micro Cable, Copper Cable etc...

OUR MANUFACTURING ASSOCIATES

- **Fabrication**
- **Certificates:** ISO 9001 : 2015 (Quality Management System)
- **Registered with:** MSME, BRN

OUR MANUFACTURING PARTNERS

- CPRI CABLE & OPTICAL PATCH CORD
- Certify with: MSME, BRN

BUSINESS AREA

Installation material

FIMO is able to provide complete set of accessories/installation material conforming to international quality standards. FIMO offers products easy to install, flexible and engineered to guarantee.

RF Solutions

A fully comprehensive offer, covering all coaxial cables accessories fields through products services and technical expertise enable FIMO to be placed among the undisputed world leaders of such a specific Cable Management solutions.

Networking solutions

FIMO is a leading provider of PCM Cable, category cable, networking connectors, routers.

Optical solution

FIMO Group extensive experience in the fibre optic technology field, innovative products development and the long-term co-operation with the leading OEMs and network operators in the telecommunication sector enables FIMO to develop the next generation of universal, FTTH cabling management solutions.

PRODUCT PORTFOLIO

Cable Clamps

FIMO is able to provide complete set of accessories/installation material conforming to international quality standards. FIMO offers products easy to install, flexible and engineered to guarantee.

Optical solution

FIMO Group extensive experience in the fibre optic technology field, innovative products development and the long-term co-operation with the leading OEMs and network operators in the telecommunication sector enables FIMO to develop the next generation of universal, FTTH cabling management solutions.

Hybrid Cable Clamps

FIMO also offers hybrid cable clamps accompanied with rubber sleeves for clamping of RF and FO cables. We have hybrid clamps available for different combinations of cable diameters.

Radiating Cable Clamps

FIMO offers the most comprehensive and innovative range of Cable Management Solutions that allow radiating cable installation directly on the wall, on the ceiling, on ladders as well as on a metallic rope. Special security devices are also available, allowing a secure elastic fastening of the cables, without the use of any tools, to prevent any accidental cable fall in case of fire.

PRODUCT PORTFOLIO

Wall entries

FIMO Wall Entries, waterproof and fire resistant, for coaxial cables, waveguides, optical fibres, power cables and any type of pipes. FIMO's wall entries are suitable for installations in the telecommunication industry as well as in the shipyards, constructions, oil e gas, offshore, aeolian industry and in all industrial infrastructures.

PRODUCT PORTFOLIO

FIMO Weatherproofing Solutions

FIMO WPK weatherproofing Solution provides a reliable sealing of cable connections exposed to the outside environment.

Weatherproofing Kit & Joint enclosure

Cold Shrink Tubes

Self Amalgamating EPR Tape

Heat Shrink Sleeve

Silicone Tape

PRODUCT PORTFOLIO

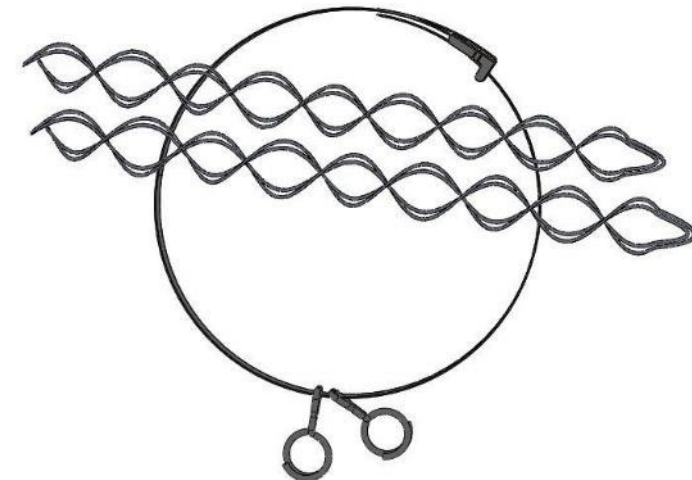

Steel wire reinforced PVC Conduit

FIMO has been the most prominent suppliers of Steel wire reinforced PVC Conduit Pipes for leading telecom companies. With continuous growth and improvement, FIMO has developed wide range of sizes. FIMO Flexible conduits are known for its high strength, accurate dimension and finish.

Noodle Clamp

FIMO Noodle clamps made of Stainless Steel applicable for hanging and gripping cables of various sizes manufactured with great accuracy and precision. These clamps are highly demanded and appreciated by our clients.

PRODUCT PORTFOLIO

RF Solutions

FIMO provides wide range of RF components for various telecom applications. Our product portfolio includes RF Cable assemblies, connectors, combiners, adapters, surge arrestors/lightening protectors, etc...

1. RF Cable & assemblies

PRODUCT PORTFOLIO

2. RF Connectors

3. RF Adaptors

PRODUCT PORTFOLIO

4. Surge Arrestors

5. Power splitters

PRODUCT PORTFOLIO

6. Hybrid couplers and Combiners

7. Diplexer/Triplexer

Fibre Optic Solutions

FIMO provides broadest choices for FO components like patch cords, CPRI, adapters, connectors (LC, SC, ST, FC) etc in single, multimode or other specifications

1. Patch Cords

2. CPRI Cable

PRODUCT PORTFOLIO

3. FO Connectors

LC Connector

SC Connector

ST Connector

FC Connector

E 2000 Connector

Fullaxs Connector

ODC-2 Connector

ODVA-LC Connector

PDLC Adapter

Silicon Rubber Boot

4. FO Adaptors and Attenuators

PRODUCT PORTFOLIO

5. Fibre management system & Joint enclosure

6. Optical media converter and SFP

Networking Solutions

FIMO provides broadest choices for FO components like patch cords, CPRI, adapters, connectors (LC, SC, ST, FC) etc in single, multimode or other specifications

1. Communication Cables

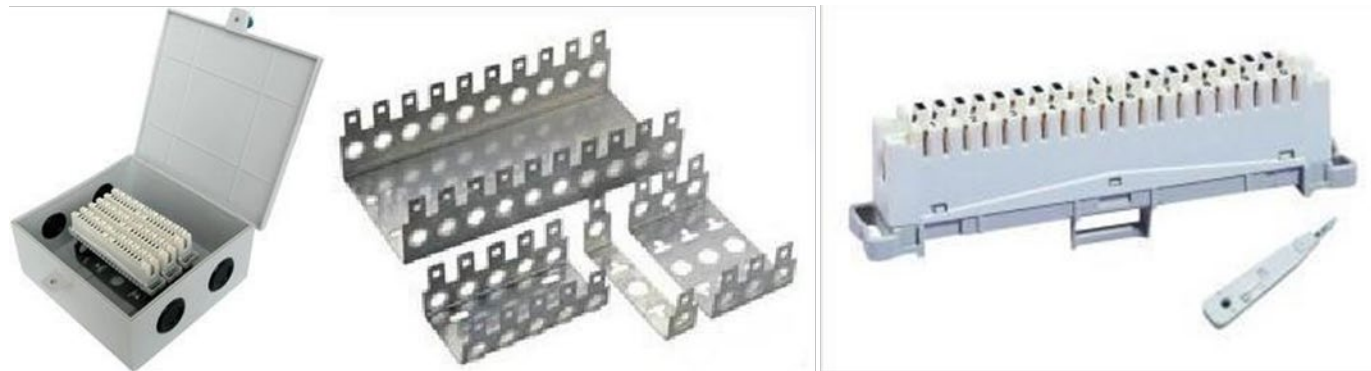

PRODUCT PORTFOLIO

2. Power, house wiring & LMR cables

3. Krone Module & Frame

PRODUCT PORTFOLIO

4. Power and communication Racks

3. MCBs and AC & DC Distribution Boxes

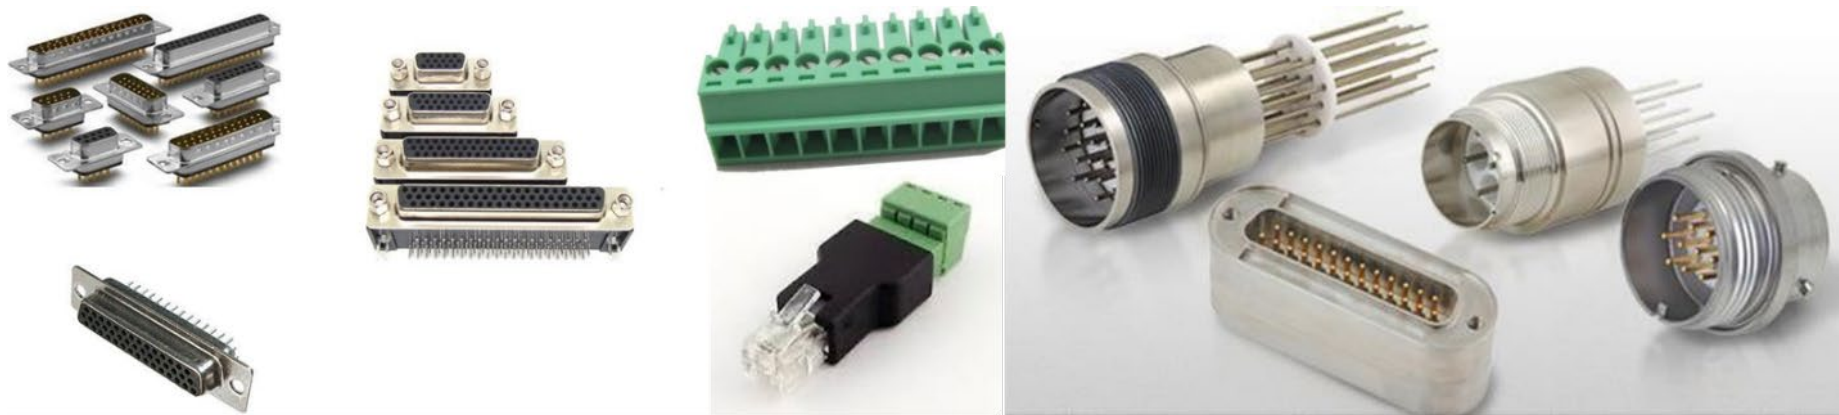

PRODUCT PORTFOLIO

5. Power connectors

6. Networking connectors

PRODUCT PORTFOLIO

7. Cable assemblies

PRODUCT PORTFOLIO

Other Accessories

1. Lugs

2. Cable ties((Nylon/Steel)

PRODUCT PORTFOLIO

3. Fasteners

4. Nylon Items

PRODUCT PORTFOLIO

5. Label Sets

6. Hook and Loop Cable Tie

7. PVC Insulation Tapes

7. GI Earthing Plate

PRODUCT PORTFOLIO

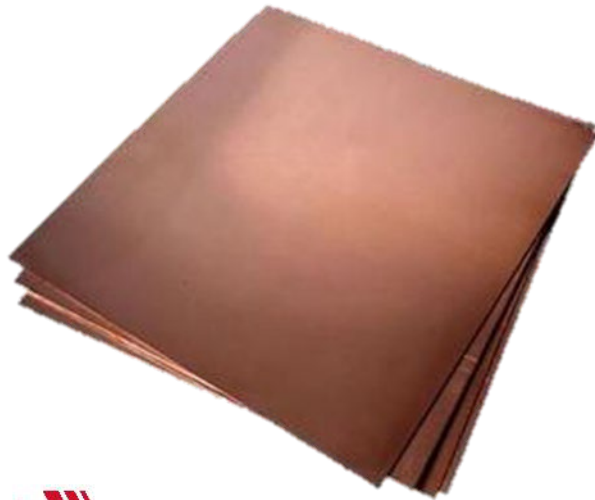

9. GI Earthing Strip

10. GI Pipes

11. Copper Plate for Earthing

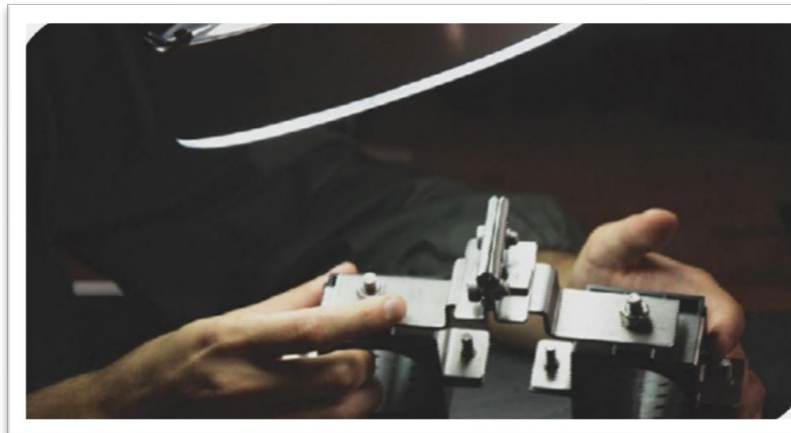

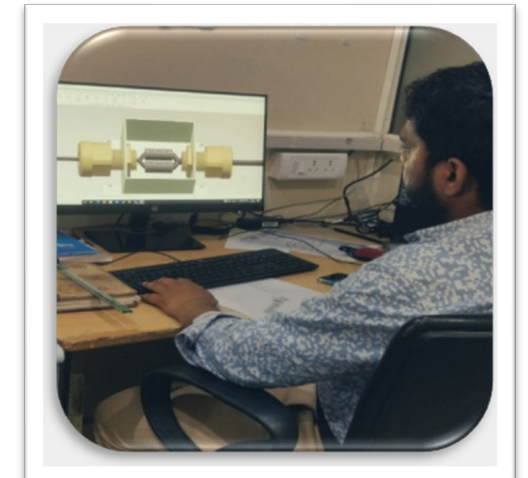

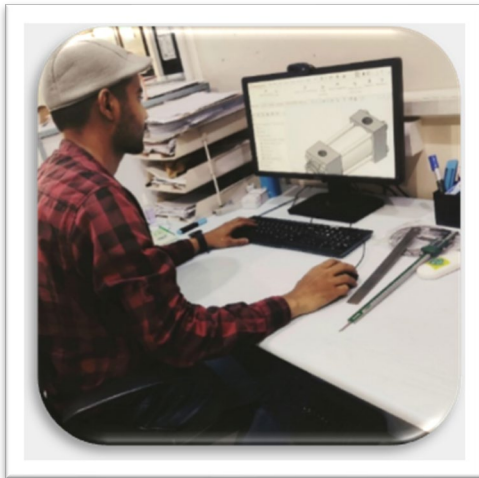

12. Ladders & Accessories

FACTORY OVERVIEW

ROBUST DESIGN FACILITIES

SolidWorks2016 synchronized with EPDM (Engineering Product Data Management) strengthens in realization of innovated/improved products, right at first time because of FIMO development model, starting from Conceptual Design to Prototype Development to Multi-cavity tooling, for being more innovative & competitive in the Industry.

HIGHLY TRAINED & EXPERIENCED PERSONNEL

The biggest asset is its committed, well trained and technically competent manpower. Knowledge and Skill is being enhanced by imparting regular trainings for improving process capabilities and consistency in quality of product, Quality Circles ,FMEA, Kaizen ,Poka Yoke techniques etc. The core team is highly qualified, experienced and motivated which provides guidance and support to employees in different facilities.

The company is committed to offering highest quality product to the Telecom fraternity and selling its product in more than 20 countries. strives hard to establish new standards with new products and win new customers around the world with professionalism, reputation and High Quality Standards.
