

### TYPICAL APPLICATIONS

### SPECIFICATIONS

#### PRODUCT DESCRIPTION

Galvanized and Stainless Steel Angle Adapters provide a versatile means for securing cable hangers to solid angle members or to angle members where pre-punched holes are not easily accessible. This design accommodates a standard 3/8" threaded rod or bolt when mounting coaxial cable hangers which utilize a 3/8" threaded hole.

#### NOTICE

Installation of this product should only be performed by trained, qualified and experienced personnel. Installation instructions for this product should be read thoroughly before installation is performed. The manufacturer and supplier of this product disclaims any liability or responsibility for the results of improper or unsafe installation practice.
