

3-Way Universal Stand-Off Adapter Assembly

PRODUCT DESCRIPTION

3-way Universal Stand-off Adapter provides a flexible mounting option for cable hangers. Slots at the bottom of the product allow hangers to be mounted to flat or round members using round member adapters. Adapter can also be installed using the 3/8" hole at the bottom. The Adapter will accommodate hangers that use 3/4" mounting hole. 3-way standoff adapter is made of weather resistant stainless-steel material for strength and longevity.
